## PARADE RULES AND REGULATIONS

1. The Spirit of Christmas parade is a family, entertainment event; any entries not in compliance with a family-friendly theme, as deemed by a member of the Dayton Police Department parade committee, will not be permitted to participate in the parade.
2. All entries will stage in the parking lot behind the football stadium, which is accessible from Hwy. 146 at the Wilson Jr. High bus entrance. All entries must enter from here, if you enter from S. Cleveland Street, you will be asked to go around and enter from the designated entry spot on Hwy. 146.
3. There will be specific line up spots. The Dayton Police Department parade committee will direct you to your designated position. These spots are picked by the Dayton Police Department parade committee for the best flow and visual effect and will not be altered in any way.
4. The Dayton Police Department parade committee will provide the official Santa and Mrs. Claus for the parade. Please do not include Santa or Mrs. Claus in your parade entry. You will not be allowed to participate in the event if someone in your unit is dressed as Santa or Mrs. Claus.
5. All aspects of all entries, including towing vehicles, should be decorated as much as possible in a Christmas theme and should be designed for viewing from all sides.
6. All parade entries should have a sign/banner stating who the group/participants are. All banners/signs must be neatly lettered and legible and able to be viewed from all sides.
7. All parade entries are encouraged to be dressed in Christmas/holiday attire and/or costumes. For the best impact, group participants are encouraged to dress in a common theme. *Example: Cub Scout groups dressed in uniforms, church groups dressed in red shirts, etc.*
8. **No throwing items from the parade floats.** Walkers may be allowed to hand out items with prior approval from the Dayton Police Department parade committee.
9. All walking parade entries must have at least one adult walking chaperon for every 10 people that will be walking. *Example: 20 twirlers must have 2 adult chaperones walking with them.* Walking entries must keep up the pace of the parade and stay at least 30 feet from the parade entry in front of you, failure to keep the pace slows down the rest of the parade behind you and causes breaks in the parade procession.
10. All vehicles must be in good, legal, and working condition and operated by a licensed driver, over the age of 18, who is to remain with the vehicle from the beginning to the end of the parade.
11. All motorcycles and ATV's must stay on all wheels at all times during the parade.
12. No use of drugs, alcohol, tobacco products or e-cigarettes will be permitted in the staging area or throughout the parade route.
13. Handouts advocating, opposing, or pertaining to: political, social or personal agendas; sexually suggestive or explicit materials are not allowed.
14. The Spirit of Christmas parade cannot be used as a platform to further any cause; political, social or personal.
15. Music is encouraged and must be Christmas themed unless pre-approved by the Dayton Police Department parade committee. Please keep music at a level that does not interfere with entries on either side of you and be prepared to adjust the volume if requested by the Dayton Police Department parade committee.
16. Parade entries with high intensity sound making devices (fire sirens) are strongly discouraged to be used during the parade. The parade route proceeds through a neighborhood, and could cause discomfort to others, as well as other parade participants.
17. All parade participants should designate a person to be in charge of keeping up the pace of the parade and stay within 30 feet of the unit in front of you during the entire parade route.

18. All parade participants with a motor vehicle and/or generator should be equipped with a fire extinguisher.
19. All parade entries should arrive with a full tank of gas and be prepared with extra supplies to prevent from running out. This could include: gas for generators, batteries, extension cords, water, etc. The parade starts at 6 pm and including staging time, could last up to 3 hours, so please be prepared.
20. No participants may jump on a float to ride and may not interfere with any other parade entry in any way. No participants will dismount from a float during the parade route. Participants will not have body parts, particularly legs and feet, extending past the sides, front, or rear of the float. This is an extreme safety hazard.
21. The Dayton Police Department parade committee reserves the right to remove any entrant from the parade either prior to assembly, while assembling, or any time during the parade. All parade entries must agree and comply with all rules in this package and abide with any instructions given by the Dayton Police Department parade committee while anywhere on site in the staging areas and parade route before, during and after the parade.
22. All parade entries and participants are encouraged to go to the Dayton Community Center after the parade for the rest of the Spirit of Christmas festivities being sponsored by the City of Dayton and the Dayton Chamber of Commerce.
