

Let Your Star Shine in Dayton

DAYTON
HISTORICAL
SOOCIETY

Dayton Historical Society was founded in 1983 with six members and as of 2017 has a membership of 70. This non-profit organization works to promote, preserve, and share Dayton's past for posterity.

The Society is selling stars – statuary that is – to enhance the town, the proceeds of which will be used for the many projects that accomplish the stated goal. The star was custom made for Dayton, designed out of concrete and stands 40" high, 36" wide and sits on a 4" base. The name Dayton is printed in raised lettering between the bottom "legs" of the star.

The star will be delivered to your home or business. The cost is \$300 prepaid.
